Education

Indian Institute of Information Technology Kota — 2022 - 2026
Bachelor of Technology in Computer Science: CGPA 7.36 — Kota, Rajasthan

Narmada Valley Academy — 2021
Higher secondary schooling with an 85 percentage — Seoni-Malwa, MP

Experience

Sentient Digital Pvt. Ltd. — Mar 2025 – June 2025
Software Engineer Intern (Remote) — Indore, Madhya Pradesh

- Contributed in the development of a mobile-based Field Force Management System intended for industry release.
- Involved in end-to-end software engineering tasks including feature design, implementation, testing, and documentation.
- Collaborated with cross-functional teams in agile environment to deliver scalable and user-centric solutions.
- Leveraged Flutter and REST APIs for efficient and responsive mobile application development.

Projects

Wizpr – Flutter-Based Messaging App | *Flutter, Dart, Firebase*

- Developed and launched a cross-platform messaging app using Flutter and Firebase, supporting Android.
- Integrated Google Sign-In authentication, real-time Firestore database, and secure encrypted messaging.
- Designed and implemented responsive UI with glassmorphic login screen, animated splash screen, and gradient themes using Flutter widgets.
- Built features including real-time username validation, unique friend code generation, friend requests.

WizPlayer – Music Streaming App | *Flutter, Dart, BLoC, Firebase, Hive*

- Built a cross-platform music streaming app using Flutter, Clean Architecture, and BLoC, with scalable state management and modular code structure.
- Implemented advanced background audio playback using just_audio and audio_service, including lock-screen controls, earbud gestures, dynamic queues, shuffle, and repeat modes.
- Developed personalized recommendations, listening history, playlists, and play-count analytics using Hive, with Firebase Analytics integration.

AI ChatBot | *Flutter, Dart, Gemini API*

- Built a customizable multi-bot AI chat app in Flutter using Gemini 2.0 Flash API, allowing users to define bot behavior through domain, tone, and system prompts.
- Integrated Riverpod for scalable state management and Shared Preferences for bot persistence, enabling consistent personalized responses across sessions.

Technical Skills

Programming Languages: Dart, C, C++, Python, HTML, CSS, JavaScript, SQL
Frameworks Technologies: Flutter, Firebase, REST APIs, Google Cloud, GitHub

Leadership / Extracurricular

Paryavaran Shakti Club — 2022 - 2024
Member — IIIT Kota

- Engaged as an active team member and photographer for the Paryavaran Shakti Club, contributing to initiatives focused on Mental Health Awareness and Action, as well as Environmental Protection

NEON Cinematic Club — 2023 - 2024
Group Leader — IIIT Kota

- Led a team of 5+ members, covering 8+ events, and increased social media engagement by 30% through impactful event photography.
- Supervised team tasks and ensured smooth execution.
- Organized and participated in fun activities, fostering teamwork and engagement throughout the tenure.
